

JFROG ACCESSIBILITY STATMENT

Thank you for visiting our website!

JFrog is on a mission to enable continuous updates through liquid software, empowering developers to code high-quality applications that securely flow to end-users with zero downtime. We are committed to providing our website visitors with content that is accessible and navigable as possible, by applying the relevant [WCAG 2.1](#) accessibility standards at the AA level. Our mission is to allow our visitors to easily access the relevant information and navigate this website. Therefore, we have also invested efforts in supporting wide array of browsers and technologies.

Our efforts to improve our visitors' experience include, but are not limited to, technical measures supporting (i) **Visual Design** by enabling keyboard navigation; (ii) **Images** by applying descriptive alternative text to images and links; and by eliminating blinking and flashing of moving elements; and (iii) **Content** by describing words through mouse selection.

JFrog appreciates your feedback and is dedicated to keep improving the accessibility features on the website. If you encounter any difficulty using our website, have suggestions about improving the usability or accessibility of our website, or would like to know more JFrog's commitment to accessibility, please contact us at: compliance@jfrog.com
